Mail or fax it to the Club office:

Objection to the Publication of Data for Members

Upon request of the members, parts of the address data will be published on member lists for all members to access. This publication is in accordance with the purpose of the club (Statutes of Association §7 Section 2) and will NOT be available in electronic form. Signing this "Objection to the Publication of Data for Members" will result in the objection to the publication of parts of the address data on member lists only for club members.

The following data would be published for members within the framework of the BMW Z8 Club e.V Statutes of Association §7 Section 2 on the Publication of Data:

- *Last name and first name*
- *Place of residence*
- *Email address*

Objection:

I hereby object to the publication of the data described above for members
